DEAN OF STUDENTS

MEMORANDUM

To : Full Time Students
From : Dean of Students
File : MU/09
Date : 20th October, 2020

NON MOVEMENT TO NEW HIGHRISE HOSTELS

Reference is made to the above subject matter.

This memo serves to notify the under listed students who were offered accommodation in the new high-rise hostels that they will not be able to move to the self-catering hostels because the rooms which were allocated to them have been occupied by the final year students.

This was done as per the earlier announcement that said only final year students would be allowed in school for physical learning this semester due to the Covid-19 pandemic and the rest were to continue with the online learning.

The inconvenience caused is deeply regretted.
