

MULUNGUSHI UNIVERSITY

OFFICE OF THE DEAN OF STUDENTS

MEMORANDUM

To : **ALL STUDENTS**
From : **COUNSELLORS**
Date : **15th September, 2020**
Subject : **WELCOME MESSAGE AND COUNSELLING SERVICES**

On behalf of the Dean of Students, we wish to welcome all the New Students and congratulate all the returning students most profoundly for your hard work that has paid off, evident in your return to Mulungushi University this 2020/2021 academic year. Congratulations and well done!

In saying this, we are mindful that you are also aware that academic work can be challenging at times, therefore we urge you to settle down as quickly as possible. This includes putting your academic materials in order and creating a mindset that is focused on attaining the highest achievable grades. We have no doubt that each one of you will do your best because of the capabilities endowed in you. Hence all you need is just that little more sacrifice, self determination and discipline as you pursue your studies.

If you get too overwhelmed, do not forget there is a place you can run to and if, on the other hand you feel like you need somewhere or someone to simply off-load your joys onto; make use of the Counselors both on-line and physically. Students on Campus should kindly note that we are based on the ground floor of Chambeshi Hostel, Kariba Hostel, Kabwe Town Campus and Livingstone Campus. We encourage all students learning on-line to feel free to contact us on these numbers:-
