**REGISTRAR'S OFFICE**  
**MEMORANDUM**

---

**TO** : All Fulltime Students

**FROM** : Registrar

**DATE** : 21<sup>st</sup> September, 2020

---

**SUBJECT** : **RE-OPENING OF THE UNIVERSITY**

---

This serves to inform our students that we are aware of the memo circulating in student WhatsApp groups insinuating that **second and third year students that were listed on the accommodation list are expected to report on 28<sup>th</sup> September, 2020 in order to be able to change and secure accommodation before they can begin classes.**

Further, that these students (second and third year) will be expected to continue with **on-line learning while on campus**. Management wishes to emphasize that this memo is not authentic, is misleading, and incorrect and must be ignored completely. The actual position is as was communicated in our memorandum of 17<sup>th</sup> September, 2020. All official communication to the students is posted on the University Website.

Students must be warned that altering an official document is a serious offence under the laws of Zambia and those students perpetuating this are advised to desist from doing so forthwith.
